

DOVERCOURT SAC PRESENTS:

FRESH FROM THE FARM FUNDRAISER

SUPPORT FARMERS 🍏 SUPPORT OUR SCHOOL 🍏 GET GREAT FOOD

Want to buy some great local produce while supporting Dovercourt? We've enrolled Dovercourt in the Fresh from the Farm program, which provides students, teachers, staff, and parents/caregivers an opportunity to support local growers by buying Ontario vegetables and apples to raise funds.

Dovercourt PS will receive 40% of all purchases!

VEGETABLE BUNDLE: \$22 (NO HST)

3 lb (1.36 kg) carrots
3 lb (1.36 kg) yellow onions
5 lb (2.27 kg) potatoes
3 lb (1.36 kg) sweet potatoes

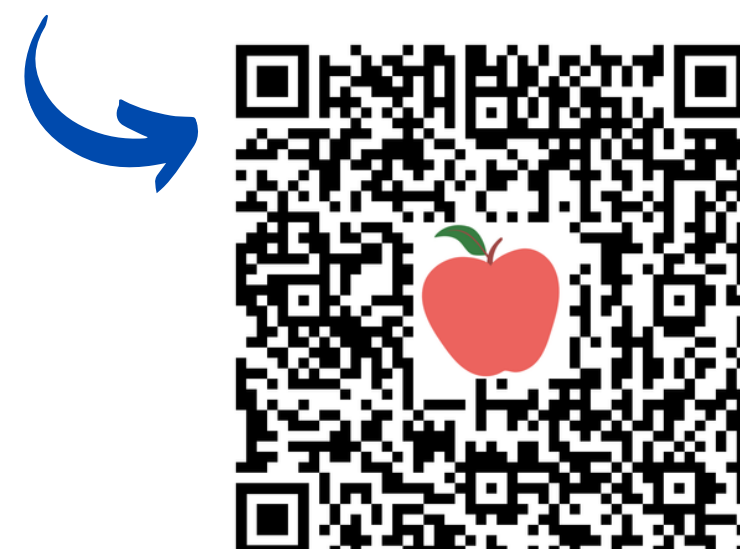

APPLE BUNDLE: \$24 (NO HST)

8 lb (3.63 kg) Ambrosia apples

Here's how it works: Before October 12th, place your order using our order form, indicating how you would like to pay (cash, debit, cheque, or SchoolCashOnline). We will contact you to coordinate payment. Important: please ensure you complete the order form before paying so we can track orders.

In November or early December, we will distribute the produce from Dovercourt PS. (We will learn, and share, the exact date about 10 days in advance. Please note that all orders must be picked up at the school on distribution day.) After that, bon appetit!
